Weatherization Services

Now Available for San Benito County Residents

Thank you for applying for the **Low-Income Home Energy Assistance Program (LIHEAP)**. As part of our commitment to helping you save money and stay comfortable, you will soon receive an application from **Central Coast Energy Services** to apply for comprehensive **Weatherization Program**. The Weatherization program assists income-eligible renters and homeowners reduce their household energy costs and create a safer, healthier, and more energy efficient home.

What is Weatherization?

Weatherization involves professional improvements to your home that help reduce energy costs and improve indoor air quality. These services are provided at **no cost** to eligible households.

Available Services May Include:

- **Energy Audits:** A professional assessment of your home's energy use.
- **Air Sealing:** Closing gaps and cracks to stop drafts.
- **Insulation:** Adding attic or floor insulation to keep heat in during winter and out during summer.
- **Heating & Cooling:** Repairing or replacing inefficient water heaters or furnaces.
- **LED Lighting:** Installing energy-efficient light bulbs throughout the home.
- **Safety Checks:** Testing carbon monoxide and smoke detectors.

Next Steps

1. **Watch Your Mail:** Look for the supplemental application from **Central Coast Energy Services**.
2. **Complete & Return:** Fill out the weatherization forms as soon as possible to secure your spot.
3. **Schedule an Assessment:** Once your application is processed, a technician will contact you to evaluate your home.

Why Apply?

- **Save Money:** Reduce monthly utility bills year-round.
- **Increased Comfort:** Maintain a more consistent temperature in your home.
- **Health & Safety:** Improve ventilation and ensure gas appliances are running safely.

Questions? Please contact **Central Coast Energy Services** at **1-888-728-3637** or visit www.energyservices.org for more information on San Benito County programs.
